

PLAYER ACCOUNTABILITY FORM

This document represents the agreement between the player, the family (if minor), and Basketball Star Academy.

By signing this form, I commit to being part of Basketball Star Academy and play for the entire duration of this agreement, i.e., for the entire season, participating in training, official competitions, games, and other events in which the Academy may participate. As a result, I agree and accept the following conditions:

1. I have read and understood the Basketball Star Academy Manifesto. Not complying with any of the policies and values stated in the Manifesto will jeopardize my participation in the Basketball Star Academy team.
2. I will attend all practices, games, events, and promotional activities as scheduled by the Academy to the best of my ability. I understand that absences from practices or games are only acceptable with prior approval from the Head Coach. Notification must be given at least 24 hours in advance, except in cases of emergency.
3. I will participate in supporting the Academy and Ikast Basketball Club during games and sport initiatives (helping at the ref. table, collecting statistics, participating in media shooting etc.) when requested.
4. I will follow the instructions provided by the Academy's staff and coaches regarding dietary, medical, and physical therapies.
5. I will train according to the Academy's Basketball program and take care of my physical condition to achieve the best possible performance in my sports activity for the Academy.
6. I will use the clothing and sports equipment provided by the Academy.
7. I understand I am always a member of the Basketball Star Academy community, and I will conduct myself accordingly. Therefore, my behavior off the court must be exemplary, and must comply with the Danish laws and applicable sports regulations. Furthermore, I will not use alcohol or illegal substances at the site of any sport facility (home, away, practice), in SportStar College, in school or while being transported to or from any contest in which I am a participant.
8. I understand that failure to abide by the above-stated policies may result in immediate team/club suspension until further review by the Basketball Star Academy board.
9. The Basketball Star Academy is not and will not be held liable for my personal improper manner or my use of alcohol or other substances and the consequences that this behavior might imply.

10. I understand that my sports rights will be transferred to Basketball Star Academy, as prescribed by FIBA regulations, and I commit to support any transfer costs that might be required by other federations, clubs, or FIBA if necessary.

11. I consent to the Academy using my image for institutional and promotional purposes, including but not limited to the Academy's website, social media channels, and other public relations materials. This consent also extends to promotional activities involving the Academy's sponsors and partners for the duration of the agreement. Images may include portrait photos as well as action or video footage captured during games, practices, or other basketball program-related activities. All use of such images will be strictly for Academy-related purposes.

12. The Parents and the Player declare that all documentation, including health, school, and civil documentation, is compliant and gives the right to the player to legally reside in Denmark.

13. I understand that this agreement is not intended to be a professional contract.

14. MEDICAL EMERGENCIES: The Player and Parent(s) authorize the Academy to seek medical treatment in the event of an emergency when immediate contact is not possible. All medical expenses shall be covered by the Player or Parent(s) when not already covered by the Danish national healthcare system.

I agree to abide by the above policy.
